HONORS CHALLENGE

Jessica D. Tolbert is a Chattanooga, TN native and the daughter of two loving parents and the eldest of three of sisters. She is a Junior, Biochemistry Major and is extremely involved on campus as the Student Government Association President at Claflin University. Additionally, she is a children's book author. Her recent accomplishments include researching at Brown University and Hunter College of CUNY through The Leadership Alliance. Most recently, Jessica has been awarded the opportunity to conduct chemistry research in Graz, Austria for the upcoming 2018 summer term.

Thus far, Jessica has held many leadership positions but being the Student Body President has given her the opportunity to explore leadership on a larger scale. She is an avid learner and continuously seeks ways to evolve into an exemplary visionary leader. She plans to attend graduate school to obtain her PhD.

She enjoys laughing with friends and exploring new things. Her challenge to all is to never settle for mediocrity but to continually evolve. "Individual self-awareness is critical in the forward motion of a people."

Call Me Mister

ALMA MATER

When the sun of Carolina
Mounts the eastern sky,
Proudly stands our Alma Mater,
On the hilltop high.

When the evening twilight deepens
And the shadows fall,
Linger long the golden sunbeams,
O'er the western wall.

When the shades of night shall gather,
Dark the heart may be,
Still the rays of youth and love,
Shall linger long o'er thee.

CHORUS

Orange, Maroon, float for aye
Clafin fair o'er thee,
May we all be leal and loyal
To thy memory.
