

DEPENDENCY CHANGE REQUEST FORM

Student Name _____ SSN: XXX-XX-_____

Financial Aid applicants who do not meet the definition of an independent student as defined by the U.S Department of Education who believe that they are independent should read and complete this form. The description below is from the Financial Aid Handbook, published by the U. S. Department of Education. It describes how a financial aid administrator may perform a dependency override.

“The Higher Education Act” allows a financial aid administrator to make dependency overrides on a **case-by-case basis** for students with unusual circumstances. If the administrator determines that an override is appropriate he/she must write a statement detailing the determination, and must include the statement and supporting documentation in the student’s file. **However, none of the conditions listed below, singly or in combination, qualify as unusual circumstances or merit a dependency override:**

- Parents refuse to contribute to the student’s education;
- Parents are unwilling to provide information on the application or for verification;
- Parents do not claim the student as a dependent for income tax purposes;
- Student demonstrates total self-sufficiency
