Greetings from the Nursing Department Chair

Hello Future Claflinite,

Thank you for taking the time to explore Claflin University's Department of Nursing. You are considering your next academic home at a pivotal moment in the history of healthcare, when the demand for compassionate, clinically-excellent, emotionally-resilient nursing leaders has never been greater. We are honored that you are exploring this journey with us.

Since our founding in 1869 as the first Historically Black College or University (HBCU) in South Carolina, Claflin has remained committed to access, innovation, and excellence for learners of diverse backgrounds. That same spirit guides our contemporary nursing programs today. Our fully online RN to BSN, MSN in Nursing Leadership, and MSN Family Nurse Practitioner (FNP) pathways are intentionally designed to support working professionals—nurses who are ready to elevate their practice, expand their impact, and lead change in their communities.

At Claflin, we understand that nursing is more than a profession—it is a calling. Our curriculum emphasizes clinical judgment, population health, leadership, cultural humility, resilience, mental wellness, and the ability to care for individuals, families, and communities through an evidence-based and holistic lens. Our faculty are experienced nurse leaders, scholars, and advanced practice clinicians who are committed to mentoring you toward success.

MISSION, VISION AND VALUES

Clafin seeks to foster a rich community who work to nurture and develop the skills and character needed for engaged citizenship and visionary and effective leadership.

MISSION STATEMENT

Clafin University is a comprehensive institution of higher education affiliated with the United Methodist Church. A historically black university founded in 1869, Clafin is committed to providing students with access to exemplary educational opportunities in its undergraduate, graduate and continuing education programs. Clafin is dedicated to providing a student-centered, liberal arts education grounded in cutting-edge research, experiential learning, state-of-the-art technology, community service, and life-long personal and professional fulfillment. (Clafin University, 2016).

Clafin is a diverse and inclusive community of students, faculty, staff and administrators who work to cultivate practical wisdom, judgment, knowledge, skills and character needed for globally engaged citizenship and effective leadership.

Nursing Department's Mission Statement – Building upon the mission, vision and guiding principles of Clafin University, the Nursing Department's mission is to use disciplined study to explore and confront the substantive challenges facing the global society to provide students with the essential foundation of a liberal arts education and enhance their skills to improve health and well-being of the community and beyond, and to enhance job marketability to meet global health needs; emphasizing critical and analytic thinking and the knowledge to serve in health care settings with diverse populations

CLAFLIN UNIVERSITY VISION STATEMENT

Clafin University will be recognized as a leading 21st Century institution of higher education that develops a diverse and inclusive community of globally engaged visionary leaders.

The Vision Statement of the Department of Nursing is that Clafin University's Nursing Department will be nationally recognized as a leader for innovative programs in nursing education, community-centered scholarship, and interdisciplinary partnerships that prepare professional nurses to meet the rapidly changing healthcare needs of the diverse community.

CLAFLIN UNIVERSITY GUIDING PRINCIPLES

At the center of everything the University does, is a system of values informing and guiding all policies and programs. These values, expressed through Clafin's decisions and actions, are defined by five overarching guiding principles:

1. **Commitment to Excellence** through doing things better and differently.
2. **Commitment to Valuing People** by providing a safe, wholesome and healthy environment for our people to live, learn and work.
3. **Commitment to Being Customer Focused**, ensuring that everyone knows who the customer is, and takes steps to show it.
4. **Commitment to Exemplary Educational Programs** by educating our students in a way to help them have a full, quality life and function as productive citizens.
5. **Commitment to Financial Accountability** by putting in place sound and effective fiscal policies which are consistent with the mission and goals of the university.
