SELECTION AND HIRING

**Responsible Administrator:** Office of the President  
**Responsible Office:** Office of Human Resources  
**Originally Issued:** 2006  
**Revision Date:**  
**Authority:** Office of the President

**Policy Statement**

It is the policy of Claflin University to employ highly qualified applicants who will contribute to the overall success of the University’s strategic goals. The selection and hiring process will enable the University to maintain an effective and productive workforce that is critical to its mission and ongoing operations. The candidate who is selected for the position as a result of the recruitment, screening, and interviewing process will be hired to assume the duties and responsibilities of the specified position.

**Statement of Purpose**

This policy establishes guidelines for an efficient, consistent, and competitive selection and hiring process that promotes equal employment opportunity. The hiring of qualified candidates for all vacant positions is contingent upon the effectiveness of the recruitment, screening, and interviewing processes. It is the intent of the University to employ persons with the knowledge, skills, and abilities to perform the essential functions of the position.

**Applicability**

This policy is applicable to human resources professionals and hiring supervisors/managers.

**DEFINITIONS**

Candidate Screening Form – An instrument used to identify the candidate’s qualifications criteria (i.e., knowledge, skills, and abilities) based upon the qualifications guide of the Career Opportunity Announcement and is used to screen applications.

Personnel Recommendation Form – This form is used to recommend the candidate selected to fill the vacant or new position.

Position Recommendation Form - This form is designed to request approval for position changes or the initiation of a new position.

**PROCEDURES**
It is the responsibility of supervisors to request approval to employ personnel when it becomes necessary because of a position vacancy due to resignation, retirement, termination, or establishment of a new position. Supervisors requesting approval must receive administrative approval from their appropriate Vice President to initiate the recruitment process. Upon approval, supervisors must contact the Office of Human Resources to discuss information related to the Career Opportunity Announcement. Vacant positions are approved thru the application tracking system. A position recommendation form is required for changes or new positions. The Personnel Recommendation Form must be completed and approved before a candidate is offered employment to fill the vacant or new position.

**Selection for Employment**

To fill positions that have been vacated or new positions that have been created, the University will utilize the recruitment and hiring process. Upon conclusion of the required steps as outlined in these procedures, candidates will be recommended to the President for employment. The President is responsible for approving all hiring recommendations for the University.

**Recruitment**

All applications received by the deadline date or interviewing date must be included in the pool of candidates to be given consideration for the specific vacant position. All recruited positions are advertised for a minimum of five working days. The interviewing date will be utilized for certain recruited positions. The job announcement for positions without a deadline date will state that the position will be "open until filled." The University will continue to accept applications until the candidates who have been selected for interviews by the Office of Human Resources are referred to the supervisor for employment interviews or until the interviewing process has concluded. If the same or similar position becomes vacant within six months or less of the last recruitment date, the position will not be required to be re-advertised and qualified applicants may be selected from the initial pool of candidates.

**NOTE:** Due to time constraints and the need to secure short-term assistance, the recruitment process outlined above may not always be utilized for temporary assignments. For more information, see University Policy No. 200.05: Policy on Temporary Employment.

**Screening of Applications**

All applications received by the deadline date or interviewing date must be reviewed and screened. To determine which applicants will be selected for the employment interviews, the Office of Human Resources will utilize the Candidate Screening Form to select the
most qualified applicants for staff positions. The Chair or designee of the faculty search committee may utilize the Candidate Screening Form or use an alternate screening method to select the most qualified applicants for faculty positions. The staff hiring manager may also utilize a search committee. For specialty staff positions, the Office of Human Resources may collaborate with the hiring supervisor or chair of the search committee to assist with the candidate screening process.

**Interviewing Process**

Interviews are a required step in the selection process. Applicants are interviewed to determine their qualifications for the recruited position. The supervisor or selection panel will develop a set of interview questions in compliance with Equal Employment Opportunity (EEO) standards. Emphasis is placed on the applicants' knowledge, skills, abilities, employment history, educational background, working experience, and training as they are related to the position recruited to be filled. A selection panel may be used for the interviewing and selection process.

**Background Checks**

A. References
   The hiring supervisor, human resources professional, or designee will check the references of the final candidate considered for the position with his or her current and/or former employer.

B. Criminal History
   The Office of Human Resources will check Criminal History Convictions on all new hires. Effective as of January 1, 2011, all new hires must pass a criminal background check.
