

Clafin University

School of Education: Ability of Completers to be Hired in Education Positions 2023-2024

The Clafin School of Education EPP collects self-reported data to determine the rate at which certified Initial program completers are employed in teaching positions or enrolled in graduate school one year after program completion. This data does not include completers who have chosen positions in other fields and/or have not notified the EPP that they are employed.

Fall 2023
