This program utilizes a short term model to help students cope with the challenges of college life such as adjustment difficulties, academic-related stress and relationship problems.

Specific activities include:

- Coping skills
- Crisis management/intervention
- Life transitions
- Sexual assault
- Substance abuse
- Community agency referrals

GROUP COUNSELING

offers sessions to include but not limited to:

- Adjustment
- Anxiety
- Coping Strategies
- Depression
- Grief
- LGBTQIA+
- Life Skills
- Mindfulness

OUTREACH AND CONSULTATION

Counseling Services offers educational programming for student organizations, residential halls, fraternities and sororities, and academic departments on a number of topics such as:

- Adjusting to college
- Conflict resolution
- Crisis intervention
- Diversity
- LGBTQ Community
- Eating disorders
- Self-esteem issues
- Grief and loss
- Time management...

Individual consultation is provided for faculty, staff, residential life managers and assistants regarding mental health situations with students.

DISABILITY SERVICES

Disability Services exists to enable individuals with disabilities to participate in a full range of college activities.

The goal is to provide a fully integrated experience for every individual and to promote an environment that is barrier-free.

To be eligible for service, an individual must:

- Apply and be accepted for admission through the regular process
- Provide current and comprehensive documentation of temporary or permanent disability which requires accommodation
- Register with Disability Services at the beginning of each semester.
